

THE CLOSING TEAM

TITLE & ESCROW SERVICES

TRANSPARENT. CONVENIENT. TRUSTED.

TOP REALTORS® USE OUR IN-HOUSE SERVICES. HERE IS WHY YOU SHOULD TOO!

ACCESSIBILITY

We strive for excellent customer service. One of the ways we do this is by using industry leading software which provides secure processing of title orders, secure communication and updates between all parties (lenders, agents, buyers, sellers, etc.). Qualia allows real-time access, as well as, accessibility to the transaction forever!

TRANSACTION COORDINATORS

The Closing Team knows that Realtors® can get caught up with paperwork. Therefore, we partnered with Dynamic Closings so you can focus on more income-producing activities. When you use our services, we automatically assign a personal Transaction Coordinator who will cover your needs from Contract-to-Close!

EXPERIENCE

Not all title companies are created equal. Some are not Attorney owned; therefore, legal representation not only costs more, but takes time to find the right one. The Closing Team is proud to state that we are Attorney-Owned. Our Attorney and Senior Closer have a combined experience of over 45 years. We take pride in educating and assisting Realtors® with questions about the title process. Please feel free to reach out to us at any time.

CLOSE ANYWHERE
